## TSA MEMBERSHIP REGISTRATION AND LICENSING

The **TSA registration season** runs annually, from 1 September to 31 August. Your TSA membership will be valid from the date of purchase up until 31 August of that applicable season.

KZN and WPT athletes **MUST** belong to a **provincial club** or risk having TSA membership canceled.

### LICENSE TYPES EXPLAINED

Take note that **recreational licenses** (only available in select provinces) can NOT be upgraded. You will be required to purchase an additional full license should you want to be taken into consideration for team selection at a later stage in the season.

Athletes with TSA licenses will not be charged day license fees at TSA sanctioned events (listed under events calendar).

Ensure you select the CORRECT PROVINCE below for first-time Registration or to purchase your License for the new season. There will be NO REFUNDS.

Please note that Triathlon South Africa is making use of a new registration system. All users – new and existing – **must** register on the new system.

If you have already purchased a 2018 license, it will be visible on your profile screen once you register. If there is a discrepancy with your license status, please contact [office@triathlon.co.za](mailto:office@triathlon.co.za).

The new TSA system will allow you to manage your personal details and purchase or renew your licenses online.
