Dear Steve and Gert

**ATC AWARDS EVENING**

Just a short note to thank you and your committee for the invitation to attend the Atlantic Triathlon Club Awards Evening. It was indeed heart-warming to witness such a positive turn-out, the commitment of athletes and the general enthusiasm for the sport of Triathlon that prevails. There is no doubt that the role that both of you, and ultimately ATC, fulfil ensures that triathlon is 'alive and well' in the Western Cape. I wish to thank you for your commitment and all you do to promote our sport.

Please know that your input and efforts are noticed and very much appreciated.

Best regards

**Dr. Debbie Alexander**
