

Registering on the Triathlon SA MOBII Site

NOTE, STEP 0: Before proceeding to the MOBII Site, you should already have ordered your **ATC Membership** from the ATC Online Shop, **Tri SPaza**. You pay ATC for the Membership and Triathlon SA for the License. ATC can no longer take payment for TSA licenses and these must be paid directly to TSA. The steps explained below are for you to register with WP Triathlon and TSA on the National Registration System. Existing members must return each year to update their details and select the required license for the season.

Step 5: Select the License Type Required

License Types:

If you want to podium at WP Champs or be eligible for selection into the WP Team for National Champs you need a **Full Racing Senior WPT License**. You also need a Full racing license for any selection in the SA Team for Worlds (like XTERRA Champs, Cross Worlds, LD Worlds, etc.)

Otherwise, select the **Recreational License**. It is valid for all other events, including Ironman, XTERRA and WP Champs (but you cannot be selected to represent WP or SA).

You can upgrade from Recreational to Full later in the season.

Juniors (under 19) will have the option for a Junior License
